Pulse Polio Immunization Program

Pulse Polio is an immunization campaign established by the government of India to eliminate poliomyelitis (polio) in India by vaccinating all children under the age of five years against the polio virus. The project fights poliomyelitis through a large-scale, pulse vaccination program and monitoring for polio cases. With the global initiative of eradication of polio in 1988 following World Health Assembly resolution in 1988, Pulse Polio Immunization program was launched in India in 1995

In this program batch of 63 students from BMS and BA (MMC) participated in 6 days long Pulse Polio Immunization campaign under the aegis of National Service Scheme (NSS) Unit, from 15th September 2019 to 20th September 2019 at Bandra Terminus railway station and Market area of Bandra.

Oral polio doses were administered to 480 children under the age of five years. Dr. Yogesh Ingle (NSS-Program officer), was the program coordinator with Dr. Tejas Shaha and their team from the Keherwadi BMC hospital spearheaded the campaign. They appreciated the contribution of the institute towards the social cause.

Please, find the attached day wise report on Pulse Polio campaign with photographs and attendance report.
