Annual Gender Sensitisation Action Plan

Women's empowerment and gender equality are one of the primary concerns at SRBS. We encourage equity among genders within the institute and in our outreach.

Annual gender sensitization plan is as follows:

- Promoting activities related to safety and security of students and staff in campus.
- Provide professional counseling to female students.
- Having regular meetings of ICC committee for monitoring and evaluation of gender equality in the institution.
- Celebrate the International Women's Day – the 8th of March
- Conduct events that promote diversity and gender-sensitive communication for students and staff.
- Enhance mentor mentee relationship to provide student support services.
- Encourage women students and faculty members to start their startups and thus promote women's entrepreneurship.
- Monitor student performance and success rate and attainment of programme outcomes
