The Entrepreneurship Development Cell of Sheila Raheja School of Business Management and Research organized a three-day online workshop to acquaint the students of all streams with knowledge of the “Swing Trading Strategy” from 21st to 23rd February 2022.

The workshop was hosted by Vinayak Jain and Namrata Lodha and was inaugurated by Director Dr. Harvind Bhasin Sir with a speech highlighting the importance of the topic for the students. The resource person for the workshop was the faculty Head of the Entrepreneurship Development Cell, Dr. Rahul Sanghavi.

On day 1 of the workshop, Dr. Rahul Sanghavi explained the importance of Value Investing and Growth investing, Basics of Technical Analysis, Candlesticks Chart & Sentiment Analysis taught the students how the same can be done by using different Tools and Websites.

On day 2 Dr. Rahul Sanghavi explained the different types of indicators such as Exponential Moving Average (EMA), Moving Average Convergence Divergence (MACD) & Relative Strength Index (RSI) and also taught how to use these indicators to check uptrend, downtrend and strength in that trend in a particular chart with many practical examples.

On Day 3 Dr. Rahul Sanghavi taught how to do coding (Scanner for Stock Selection) in a particular website to identify the stock for the Swing Trading. A question and answer session was conducted for participants to solve their queries after which the workshop was concluded with a vote of thanks.

The workshop was attended by more than 180 students on all three days by students of various colleges.

A feedback form was shared with the participants at the end of day 3, the workshop and the orator Dr. Rahul Sanghavi were well-appreciated by the students. After the completion of this workshop participants felt encouraged to explore this area even further.
