**Date: 25th June 2022**  
**Time: 9:00 a.m. – 5:00 p.m.**  
**Venue: Seminar Hall (4th Floor)**

## ABOUT THE CONFERENCE

The financial markets efficiently direct the flow of savings and investment in the economy facilitating accumulation of capital and production of goods and services. Financial markets have a domino effect which leads to a change in all aspects of the market, if even one aspect is affected. They provide buyers and sellers means to trade financial instruments such as bonds, equities, currencies and derivatives.

Sheila Raheja School of Business Management & Research (SRBS) is pleased to announce the National Conference on "Financial Markets-Growth and Opportunities". The aim of the conference is to provide a forum to showcase cutting-edge research in the area of financial markets. It intends to present the perspectives of experts of financial markets in terms of current trends and opportunities available in the global markets.

The conference provides an excellent avenue to the researchers, academicians, industry executives and students working in the area of finance and allied areas. *We invite high quality original theoretical/ applied empirical papers from faculty members, research scholars to express their views on the topic.*
