The Entrepreneurship Development Cell (EDC) at Sheila Raheja School of Business Management and Research, Bandra (East) hosted “**Investment and Trading Yoddha**” competition from 22nd August to 9th September, 2022 where each student was given a virtual fund of Rs.10, 00,000 to create their own portfolio.

A large number of students from MMS and BMS participated in this competition. The activity gave students a live experience of money management, risk management, position size, decision making, critical thinking and analytical ability using their general and financial awareness. Different concepts of finance such as portfolio management, investment, maximization of wealth and net worth were also experienced by the students. Also, students got an exposure on how various events all around the world affect the decision making of the investors. The activity was a big success as the students showed great interest along with pleasure.

Success does not come without challenges and this experience of 19 days has shown the students, the ups and downs of the stock market and taught them how to learn from their mistakes and achieve success. This journey has expanded the minds of the students and brought to their notice the importance of time, patience and discipline. “Investment and Trading Yoddha” competition has increased their curiosity of learning and once again emphasized on the dateless fact that “Hard work has no substitute”.
