FEEDBACK ON MMS SYLLABUS (A.Y. 2021-2022)

The responses of feedback on MMS program was received and analyzed. The following suggestions were received.

Faculty Suggestions	<ul style="list-style-type: none"> The Autonomous college shall help in bringing better syllabuses to the table
Student Suggestions	<ul style="list-style-type: none"> More real life market example and practical knowledge and interactive sessions to be organized Maybe more practical knowledge than theory knowledge and also more industry based knowledge Want more practical assignment means having interactive session. More emphasis should be placed on advanced Excel, interview preparation, how to give presentations, and group discussions, aptitude Financial analysis of statements is important Guest lectures of Industry experts
Alumni Suggestions	<ul style="list-style-type: none"> Please change the structure of your course as well as the subjects, and introduce subjects to be applied in the future rather than the past Involve corporates for industrial knowledge Course with more practical knowledge and its practical implementations in outside industry would be a added advantage. More Industry related course should be added More case study and practical exposure on skills Alumni should be encouraged to share their corporate experience.
