Suggestions received from Faculty members	<ul style="list-style-type: none">• Curriculum is designed by University of Mumbai. Curriculum needs revision.• Incorporating more Add-on and Certification courses to bridge the gap between curriculum and content beyond syllabus.
Suggestions received from Students	<ul style="list-style-type: none">• If the syllabus would have been completed a little earlier, there would have been more time to practice• The overall SEM 1 course was very educational and helpful for industry level work.• More Ad-on courses should be designed to update skills of the students.• We must adopt fresh ideas or subjects that are popular right now in order to enhance our knowledge in accordance with industry standards. By only keeping the subjects that are required for university and changing the rest to fit the needs of the market.• The demand of the corporate world of the skills and knowledge required from today's youth should be met with the course taught. An updated curriculum is required for the fresher's to be employable and grow their careers.
