Director's Message

In today's competitive business environment, there is plethora of challenges and opportunities thrown open and it is essential how one equips themselves and resolves at real time. At SRBS we offer MMS/ BMS programs which are one of the most versatile business degrees that are highly sought-after and aid the student to become pragmatic professionals, competent decision and policy makers, while also being empathetic human beings.

Being a student driven B-School, we at SRBS encourage our students to take initiatives and manage several curricular and extracurricular activities that gives them ample scope for creativity and originality. This provides an all-round grooming, both in their management career as well an overall holistic approach in their life ahead.

At SRBS, we are committed to nurture leaders and entrepreneurs who will empower their organizations in the global economy.

“Your Attitude Determines Your Altitude”

Dr. Harish Kumar S. Purohit
Director

Sheila Raheja School of Business Management and Research (SRBS) is committed to being an internationally acclaimed management institute which focuses on quality education and innovative research.

- To be an internationally acclaimed management institute for all stakeholders
- To impart quality management education for all students and unleash their high potential
- To ensure cutting edge technology and state of the art infrastructure that will enable teachers to nurture innovative pedagogy and learning methods for students
- To build a strong research culture

Campus Life at SRBS

In the vibrant and dynamic ecosystem of our campus, the academic year 2022-23 has been marked by a plethora of exciting events, activities, and achievements that have enriched the lives of our students, faculty, and staff. This annual report aims to capture the essence of campus life, showcasing the diversity of experiences, innovations, and accomplishments that have unfolded throughout the year.

Our campus community remains committed to fostering diversity and inclusivity. In this year, we celebrated various cultural activities, organized awareness campaigns, and hosted numerous events aimed at promoting tolerance and understanding. Initiatives like mentorship programs and affinity groups have created an environment where everyone feels valued and respected.

Academic excellence is at the heart of our institution. This year, our students and faculty continued to push the boundaries of knowledge. We expanded our course offerings, introduced cutting-edge research facilities, and collaborated with renowned institutions to provide unique learning opportunities. Several faculty members received prestigious awards and grants, showcasing their dedication to advancing their fields.

Our campus is a hub of innovation and research. Our researchers made significant breakthroughs in various disciplines, from science and technology to social sciences and humanities. We also hosted conferences and symposia that attracted scholars from around the world, facilitating the exchange.

Extracurricular activities play a vital role in the holistic development of our students. Throughout the year, students participated in a wide range of specialization clubs, organizations, and sports teams. These activities provided opportunities for personal growth, leadership development, and community engagement. Notable achievements in sports, arts, and cultural events highlighted the talent and dedication of our students.

Faculty Development/Achievements

The achievements of our faculty members are a source of immense pride and inspiration for our entire academic community of SRBS. Their dedication to teaching, and community engagement has contributed to the Institutes' reputation. The impact they have on our students and the broader academic community is appreciable. As we celebrate these achievements, we look forward to many more years of continued growth, innovation, and excellence in education.

Co-curricular / Extra-Curricular Activities

For Sheila Raheja School of Business
Management & Research

Director

Co-curricular / Extracurricular activities are an integral part of our educational institution, providing students with opportunities to complement their academic learning, develop valuable skills, and enrich their overall college experience. This annual report aims to showcase the diverse range of co-curricular and extracurricular activities that have taken place on our campus.

We at SRBS Sheila Raheja School for Business Management and Research, campus prides itself on offering a wide spectrum of co-curricular activities and extracurricular, catering to the diverse interests and talents of our students. These activities are designed to foster personal growth, leadership development, and a sense of community. We continued to expand and diversify our offerings, ensuring that every student can find opportunities to get involved.

Our SRBS campus hosts numerous student-led organizations covering a broad array of interests, including academic, cultural, social, and recreational clubs. Students can join or establish clubs, providing them with platforms to pursue their passions, connect with like-minded peers, and initiate meaningful projects.

We believe in nurturing the leaders of tomorrow. We offered a variety of leadership development programs, workshops, and seminars to equip students with the skills and knowledge needed to excel in leadership roles both on campus and in the future.

Community engagement is a core value of our institution. Students engaged in a range of community service and volunteer activities, from local charity drives to international service trips. These experiences instilled a sense of social responsibility and empathy in our students.

Our commitment to physical well-being and sportsmanship was evident in the various intramural and extramural sports and competitions that took place throughout the year. Students embraced healthy competition, teamwork, and fitness through their participation.

To encourage academic excellence, we organized and participated in a range of seminars and conferences. Our students competed at the regional and national levels, showcasing their knowledge and research skills.

Preparing students for successful careers is a priority. We at SRBS offered career development workshops, internships, and networking events that helped students explore potential career paths and build professional connections.

These co-curricular activities have had a profound impact on our students. They have developed leadership skills, formed lasting friendships, gained practical experience, and broadened their horizons. Many students have reported increased confidence, a sense of belonging, and personal growth as a result of their involvement in these activities.

India's G20 presidency has become a symbol of inclusion, both within the country and beyond, representing the spirit of 'Sabka Saath'. It has become a 'People's G20'. Millions of Indians have engaged with it. Over 200 meetings have been held in more than 60 cities across the country. We at SRBS took the initiative to celebrate this prestigious moment with our country

“G20 initiative -Quiz competition”
Venue-Seminar hall

Department of Management Studies (MMS/BMS) of Sheila Raheja College School of Business Management and Research successfully conducted a quiz competition on 14 February 2023. In the competition, students were first informed about the G 20 initiative of the Indian Government by Prof. Vaishali Singh and then they had to appear for a quiz competition. The rules and regulations of the quiz were explained in the beginning. It was an interesting one-hour quiz competition with objective type answers for each question on the G20 movement in our country.

The students showcase their brilliance by rapidly answering the questions. Some questions were very tricky but students confidently answered them. The results were assessed by Prof. Vikas Pande, the winner of the competition was Joel Desouza of FYMMS. Quiz competition was organized by the Faculty in charge Mrs. Vaishali Singh and students namely Nidhi Patel, Kedar, Dhayanjay and Gayatri.

It was a very informative and knowledgeable session for the students and faculties.

Hope'22 Event in Association with TATA Hospital

The Sheila Gopal Raheja Foundation has been deeply involved with various wellness efforts in its commitment to raising the quality of life of children.

The foundation leadership is strongly aligned to providing support and necessary care through its social venture on behalf of the foundation and in association with TATA Memorial Hospital and IMPACCT Foundation for Hope. The foundation is dedicated to taking care of children suffering from life-threatening diseases.

The pure motive for organizing this event is to teach patients that one must truly believe in the virtue of Celebrating Life to the Fullest. The Theme of HOPE'22 was "Friendship" which witnessed over 200 children who conquered diseases with their unseeing courage.

SRBS students had the opportunity to be a part of this noble initiative and perform with the little cancer survivors. The event was held in TATA Memorial Hospital Auditorium on December 11, 2022 at 9:30 a.m.

The event of such great magnitude was graced by Mrs. Durga Sandeep Raheja, Trustee of K Raheja Realty and founder of Sheila Gopal Raheja Foundation. Several other prominent personalities from Bollywood like Dr. Anmol Gupte (Renowned Director), Mr. Shaan Akruhi Kakkar (well-known Bollywood Singer), beautiful and ever graceful Bollywood Actress Ms. Manisha Koirala and some famous sports personalities such as Former captain of the India women's national cricket team Ms. Mithali Raj and Arjuna Award Badminton Player Mr. Chirag Shetty also participated with zest and enthusiasm in this event.

To spread cheer among little cancer survivors, the event was also attended and participated by our esteemed Director, Dr. H. J. Bhasin from Sheila Raheja School of Business Management and Research (SRBS), Ar. Mandar Parab, Principal of L.S. Raheja School of Architecture (LSR) and Mr. Conrad D'Souza, Principal of Sheila Raheja Institute of Hotel Management (SRIHM).

The event also hosted several cultural performances to entertain the little survivors, the said performances were performed by Students, Doctors and Nurses.

Tata Memorial Staff thanked the Sheila Gopal Raheja Foundation for providing constant support and necessary care with their diverse programs including supporting the cancer care initiatives.

As Mrs Durga Sandeep Raheja, Trustee, K Raheja Realty & Founder, Sheila Gopal Raheja Foundation firmly believes - "The Foundation reinforces the belief of spreading happiness and positivity to the pediatric patients and their families. HOPE is one such program that is very close to our hearts and we are extremely privileged and delighted to be associated with and to sponsor HOPE for the third consecutive year."

“Corporate Social Responsibility”

Corporate social responsibility is an integral part of our institution SRBS -Sheila Raheja School of Business Management and Research made a combined effort to operate in ways that enhance society's wellbeing. CSR helps both ameliorate colorful aspects of society as well as promote a positive brand image of our college. This event was organized by the student council and faculties; they have arranged for lunch for kids in a school and distributed a Gift Hamper (containing all educational things). All the students and faculties went to the school and talked to students about their hobbies and ambitions in life. Our Director explained to them the value of education in life. After that, students played with the kids and made the event enjoyable and full of fun. It was a very beautiful event that gave us a feeling of social responsibility in a true sense. As a prestigious Institute, we will continue with this humble and noble act throughout our lives.
