Awareness Session on Health and Hygiene

HR Club in association with the Women Development Cell organised a session for the management students of BMS and MMS to engage in awareness, advocacy, and knowledge-sharing around the importance of menstrual hygiene management. It was held on 15 December, 2022 in the seminar room and smart classroom for girls and boys respectively.

There are many taboos/myths related to menstruation, and this session aims to break all taboos and raise awareness among individuals and everyone who menstruates and the one who doesn't. It is conducted so that people could understand menstruation is not a curse, rather it is a gift and proper hygiene is important.

The main objectives of celebrating this day were following:

- To break the silence on menstruation
- To raise awareness on importance of menstrual hygiene management
- To advocate the MHM (Menstrual Hygiene Management) friendly environment

The sessions were conducted by Ms. Mehak Kaushik, Manager at The GlobalHunt Foundation and Ms. Roshnee Bhowmick, CSR Executive.

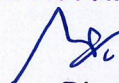

Ms. Mehak Ms. Mehak Kaushik started her career by undertaking a research of 1500 children in the largest resettlement colony of Delhi. Here she got an experience as to how children need interactive models within their learning to achieve a basic level of comprehension. At GlobalHunt Foundation she further expanded this experience where through diverse social level projects a change was planned within the target community. She holds her highest degree of Masters in Sociology from Delhi School of Economics and is well versed with social concepts and systems.

Working with Unicharm India since 2018. Mainly responsible for all CSR activities in West Bengal. Campaigning for Menstrual Health and Hygiene management in West Bengal mainly in educational institutions, non-profit organizations and in the community level as well. Has conducted more than 300+ sessions on Menstrual Health in educational institutions and grass root level in Kolkata. She graduated with Psychology (Hons) and holds a Master's Degree in Social Work. Worked in the area of child protection & health for more than 6 years. Represented the state at NIPCCD on child protection issues.

educational opportunities, health and overall social status of women and girls around the world. As a result, millions of women and girls are prevented from reaching their full potential. The speakers ensured all the queries of the students were answered correctly and without hesitation.

Hence, it is essential to break the silence, raise awareness and change negative social norms around Menstrual Hygiene. It is possible to create a world where no one is held back because they menstruate. This means a world menstruation can be managed safely, hygienically, with confidence, and without shame; everyone can access and afford the menstrual product of their choice. Period stigma is a thing of the past; everyone has basic information about menstruation; everyone can access period-friendly water, sanitation and hygiene facilities everywhere.

The preparations for the IDY 2021 are already under way. The objective is to build an enduring public interest in Yoga by highlighting its importance and contribution as a significant asset for improving public health. Ministry of AYUSH is looking forward for greater participation from the people in IDY 2021 than the preceding years. Just like IDY 2020, IDY 2021 will also be a Covid-compliant event based on the leading directions of the Government at that point of time. There will be greater focus on virtual activities.

There are multiple avenues within the domain of Ministry of Education (MoE) to take this event forward with momentum and this Ministry looks forward to an active collaboration with Education Ministry. I have listed a few indicated areas of collaboration as Annexure of this letter for your consideration.

Apart from the aforementioned activities, Ministry of Education (MoE) may please also take up initiatives as deemed appropriate, which can be jointly agreed upon and undertaken by both the Ministries, to help promote Yoga globally and enhance participation in the IDY 2021.

With this backdrop, I seek your support in this effort to make the IDY a nation-wide campaign for public health. A Nodal Officer of your Ministry (preferably at the level of Joint Secretary) may kindly be nominated and the details may please be communicated for any coordination with Ministry of AYUSH, Shri P. N. Ranjit Kumar, Joint Secretary (Tel: 011-26551935, e-mail: ranjitkumar-ph@gov.in) or Shri Vikram Singh, Director (Tel: 011-24656863, e-mail: vikramsingh-ee@gov.in) may please be contacted.

Ministry of AYUSH would be keen to hear about the activities and the best practices that Ministry of Education puts in place for IDY 2021. I would also request you to share your plan of action along with suggestions if any, with this Ministry so that the best practices can be further shared with the other Ministries and Departments.

With regards,

Yours sincerely,

(Rajesh Kotecha)

INTERNATIONAL DAY OF YOGA 2021(IDY-2021)

Background Note

1. The rewards of Yoga for disease prevention and health promotion are well known. They have acquired special significance against the backdrop of Covid-19. The International Day of Yoga 2021 presents an occasion to underline the health benefits of Yoga, and motivate the public to take up the pursuit of Yoga.
2. Taking cognizance of the current situation, it is not advisable to organize events that require congregation of people for observing IDY 2021. Therefore, it is advised that maximum use of digital, virtual and electronic platform be made this year. All stake-holders are invited to take up messaging to the public by highlighting the importance and contribution of IDY to public health, and encouraging the people to observe IDY 2021 by doing the Common Yoga Protocol (CYP) at home with their families, on 21st June 2021. For this, the message "**Be with Yoga, Be at Home!**" can be sent out as much stakeholders as possible.
3. An "**IDY Handbook**" (<https://www.ayush.gov.in/IDY-2021>) has been developed by Ministry of AYUSH keeping in mind the current pandemic situation – lending focus predominantly on mobilization activities in the online/virtual mode. In addition to bringing back the key message of following COVID Appropriate Behaviour (CAB) to ensure personal health and wellbeing, these activities can be undertaken through digital media. The Handbook, through the standardization of activities will help to strengthen the collaborations among different stakeholders in organizing activities for IDY 2021.
4. IDY presents an occasion for all the Central Ministries and their Departments, State and UT Administrations, Yoga Organizations and Voluntary Organizations, to come forward and spread the message about gains from the regular practice of

Yoga. With their commitment and passion, all these organizations can play an important role in making IDY an effective national movement for health and wellness.

5. Stake-holders are requested to reach out to individuals and other organizations in their respective domains, with the following IDY related activities –

- Issuing internal guidelines within the organization/offices giving the background of the observation of International Day of Yoga (IDY) 2021. This may be displayed prominently on their websites
- Using your social media platforms to spread for latest updates and information about IDY. The required inputs can be easily accessed from the social media platforms of the M/o AYUSH and this can be shared on or adapted to the official social media platforms, as deemed fit.
- Displaying IDY logo on the website and uploading guidelines for IDY observance on the website.
- Familiarizing the employees/staff with Common Yoga Protocol (CYP). Information about the quality digital training resources and daily virtual training sessions being offered by the Maharaj Desai National Institute of Yoga (MDNIY), an autonomous institute under M/o AYUSH may be widely publicized among the public and the staff. Organising online training programmes on CYP and ensuring maximum participation in the same, in a COVID-19 compliant manner can be considered
- Circulating related materials to all departments, employees and partners, so that they can be further shared externally to raise awareness. Employees may be encouraged to include their families in the IDY activities
- Organizing Yoga-related activities such as online lectures, workshops etc. by Yoga experts.
- Distributing Yoga attire, Yoga mats, and other Yoga related goodies duly having the logo of IDY 2021, to their staff, and encouraging everyone to practice and adopt Yoga.
- Publishing Yoga and IDY-specific articles in the official e-newsletters, bulletins, magazines etc.
- Encouraging employee and staff to participate in IDY activities organized by M/o AYUSH on MyGov platform (<https://www.mygov.in/>).
- Organising CYP workshops in association with other organizations, involving Yoga experts, subject to COVID-19 guidelines.

For Sheila Raheja School of Business
Management & Research

Director

- Planning long term activities related to Yoga, so that the impact of IDY-related mobilization goes on well beyond 21st June 2021.
- Some online competitions like quiz, essays etc on Yoga-theme may also be organized to create interest among the volunteers/employees/public, especially among the younger generation.
- Depending on the local circumstances, people may be encouraged to participate in IDY 2021 from their homes contingent on the COVID-19 related Government guidelines on the management of the pandemic, especially on physical distancing norms and the use of basic protective measures such as masks and sanitizers etc.

Regular Yoga Sessions for students

Today's generation has a lot of choices, especially those living in the cities. On a daily basis eating meals and watching TV is common. This ultimately leads to obesity and brings with it host of diseases like Diabetes I & II; thyroid problems, PMS disorders and PCOS etc. Generally, both parents are working so lifestyle and food choices are unhealthy causing lifestyle disorders and diseases.

The success mantra for today's lifestyle disease is Yoga. It is a complete tool to optimise wellness. In sync with this yoga classes are held for both first year and second year MMS students on Saturdays. These sessions were introduced from July 2018. The sessions are part of the curriculum. The faculty Mr. Eshank Raghupate covers Asanas, Pranayamas, Kriyas, diet and Yogic lifestyle recommendations. Personal attention is provided to the students on issues related to health and stress management.
