## Co-curricular / Extra-Curricular Activities

Co-curricular and extra-curricular activities are integral components of the teaching and learning process at our institution, providing students with opportunities to enhance their academic learning, develop valuable skills, and enrich their overall college life experience. There were 39 co-curricular and 32 extra-curricular activities (refer Annexure - I, page no. 58 to 61) conducted in A.Y. 2023-24. This annual report aims to highlight the diverse range of activities that have enriched campus life.

At SRBS, we take pride in offering a wide spectrum of co-curricular and extra-curricular activities tailored to the diverse interests and talents of our students. These initiatives are designed to foster personal growth, cultivate leadership and managerial qualities, and by promoting a sense of community engagement activities. We have continually expanded and diversified our offerings to ensure every student finds meaningful avenues for involvement.

Our campus hosts numerous student-led clubs and activities encompassing academic, cultural, social, and recreational interests. These clubs provide platforms for students to pursue their passion, connect with peers who share similar interests, and initiate impactful projects.

We conduct a variety of activities, workshops, and seminars aimed at equipping students with the skills and knowledge necessary to excel in leadership roles both on campus and in their future careers/endeavours. Community engagement is another core value we instil in our students. They actively participate in a range of community service and volunteer activities, fostering social responsibility and empathy.

In promoting physical well-being and sportsmanship, our campus hosted SVAGAM 2024—An Intercollegiate Annual Fest of SRBS. Students embrace healthy competition, teamwork, and fitness through this engagement. Academic excellence remains a priority, underscored by our students' participation in competitions, seminars and conferences where students demonstrated their research work and knowledge at the two (2) regional and the four (4) national level competitions. Preparing students for successful careers is integral to our mission.

The impact of these co-curricular and extra-curricular activities on our students is profound. They develop leadership skills, form lasting friendships, gain practical experience, and broaden their horizons. Many report increased confidence, a sense of belonging, and personal growth as a direct result of their participation in these enriching experiences.

## CSR-Activities

### **HOPE'23 in association with TATA Memorial Hospital under Sheila Gopal Raheja Foundation**

The "HOPE'23" event was a collaborative effort between the Sheila Gopal Raheja Foundation, Sheila Raheja Group of Institutions, ImPaCCT Foundation and the Tata Memorial Hospital. The event aimed to raise awareness about cancer prevention, treatment, and survivor stories.

On 10<sup>th</sup> December, 2023 the biggest annual paediatric event of the Tata Memorial Centre i.e HOPE 2023 was organized with a commitment of supporting paediatric cancer care unit. This event celebrated the vivacious spirit of paediatric cancer patients, and their victory over cancer with the message that childhood cancer/ paediatric cancer is curable.

It isn't something that happens overnight. Around four months ago, the wheels began to turn. We've been lucky enough to have the support of a team including proactive, devoted members and directive leadership of Mrs. Durga Raheja; Trustee - Sheila Gopal Raheja Foundation a CSR arm of K. Raheja Realty Group of Companies, Ms. Gayatri Raheja, Ar. Mandar Parab- Principal L. S. Raheja School of Architecture, Mr. Conrad D'souza- Principal Sheila Raheja Institute of Hotel Management and our Director Dr. Harish Kumar S. Purohit.

Performance practices for the said event were started from September 2023; the theme for this year was "Bollywood". Concept of the anchoring was on the lines of "The Kapil Sharma's Show". Our students have choreographed the dances and performed with paediatric cancer patients. Our students have contributed in all the On-stage, Back stage and other Supporting activities like makeup, green room and non-green room, escorting paediatric cancer patients to the auditorium

from bus, security arrangements, registration, photo-booth, cultural performance, VIP escorting, discipline and especially whole media activity was handled by SRBS students.

This event of Tata Memorial Hospital and ImPaCCT Foundation was supported by the CSR arm of K Raheja Realty - Sheila Gopal Raheja Foundation. It was held at Sheila Gopal Raheja Auditorium (Rangmandir), Bandra(West), Mumbai.

Prominent personalities attended the event and expressed their solidarity and support. The list of dignitaries and celebrities included Alia Bhatt, Kapil Sharma, Vidhu Vinod Chopra, Amole Gupte, Krishan Kumar, Dr. Madhu Chopra, Nikhil Dwivedi, Rupali Ganguly, Jamie Lever, Rohit Jethwani, Parveen Shahani, Gaurie Pandit, Ayaan Hashmi, Mrs. Amruta Fadnavis, Dr. Sudhakar Shinde, Dr. Sudeep Gupta and former member of parliament Mrs. Priya Dutt to name a few.

HOPE as the word signifies seeks to provide joy, inspiration and a sense of empowerment for the children who are battling cancer. There were overall 400 paediatric cancer patients along with around 325 students of institutions/colleges run by Raheja Academia. There were 97 students and 9 faculty members of SRBS participated actively. There were various gracefully crafted and choreographed solo and group performances during the event. Despite battling cancer, the survivor and children who are undergoing the treatment have showcased their talent on stage and put up enthusiastic and heart-warming performances. Further our SRBS Director – Dr. Harish Kumar S. Purohit along with 8 faculty members- Mr. Pradeep Singh, Ms. Apeksha Gaje, Dr. Prasad Supekar, Dr Vaishali Singh, Ms. Sonali Shiralkar, Ms. Roshal Vinu, Ms. Varsha Dhotre, and Ms. Rachana Agarwal; all contributed their best guidance, monitored and provided essential support for the event to make it a grand success along with students, staff & principals of esteemed sister institutions.
