Respected sir,
Greetings From ICJ,

CONNECT WITH WORK

ABOUT US

INNOVATION COMES JOINTLY (ICJ) IS WORKING AS AN TRAINING & PLACEMENT ORGANIZATION PAN INDIA.

"Connect with Work programme" works with people who want to get into work but, for a number of reasons, face challenges – such as a lack of experience or confidence, fewer educational qualifications, care requirements or disabilities – and helps them to develop the skills, connections and opportunities that provide a way in, or back into the workforce.

Working across a variety of industries, and in some of the fastest growing sectors of the economy, Connect with Work provides employers with access to a unique, but often overlooked, pool of talent that exists in the communities where we live and work. This enables employers to diversify their recruitment efforts and gain access to new hiring channels.

Ms. Shruti also guided the students that how they can counter their stress by doing their self-evaluation to achieve the set goals.

Respected sir,

CONNECT WITH WORK

ABOUT US

INNOVATION COMES JOINTLY (ICJ) IS WORKING AS AN TRAINING & PLACEMENT ORGANIZATION PAN INDIA.

"Connect with Work programme" works with people who want to get into work but, for a number of reasons, face challenges – such as a lack of experience or confidence, fewer educational qualifications, care requirements or disabilities – and helps them to develop the skills, connections and opportunities that provide a way in, or back into the workforce.

Working across a variety of industries, and in some of the fastest growing sectors of the economy, Connect with Work provides employers with access to a unique, but often overlooked, pool of talent that exists in the communities where we live and work. This enables employers to diversify their recruitment efforts and gain access to new hiring channels.

Blood Donation Camp 2023

"A single drop of blood can make a huge difference"

Title:	Blood Donation Camp 2023
Date:	28th August 2023
Time:	9:00 a.m. 4:00 p.m.
Location:	Auditorium
Number of participants:	82 Students

The Sheila Raheja Foundation organized an initiative of Blood Donation Camp involving all three Institutes, L. S. Raheja School of Architecture (LSR), Sheila Raheja Institute of Hotel Management (SRIHM), and Sheila Raheja School of Business Management and Research (SRBS). Before the event, interested students and staff members were required to register and meet specific criteria, including a minimum weight of 45 kg and a healthy hemoglobin level, as well as refraining from taking medication during the donation process. Doctors from Tata Hospital checked the fitness of registered students and staff members before allowing them to donate blood or platelets. The guidelines provided to students and staff members were intended to benefit both patients' and donors' well-being.

A total of 82 SRBS students registered, and after donating blood, they were provided with snacks such as Milk and Glucose biscuits to restore their energy. The event was conducted safely and concluded at 4:00 PM.

DEPARTMENT OF TRANSFUSIOIN MEDICINE
Blood Donation Information

Blood donation is a process by which a blood donor voluntarily donates his/her blood for storage in a blood centre for subsequent use in a patient for transfusion.

Registration

The process of donating blood involves filling up blood donation forms, screening of the donor, the donation procedure and a brief recovery period with refreshments. When a donor arrives at a donation site, the donor fills out a Blood Donation Form including consent and answering the questionnaire to help determine his/ her eligibility at the registration counter.

Donor Screening by Medical Officer

The blood hemoglobin concentration, donor's weight and overall screening is done by the medical officer to assess the donor's suitability for blood donation.

Blood Donation Procedure

After screening, the donor is guided to hydrate well with atleast 2 glasses of water before donation. The donor lies in a supine position on recliner and extends an arm. A tourniquet is wrapped around his/ her arm or may be prompted to squeeze a ball, to help make the vein prominent. Blood flows from the vein, through the needle and a tube, and into a blood collection bag which is placed on a blood collection monitor to measure the amount of blood withdrawn. Typically, around 350-450 milliliters of blood (i.e. a one pint) is drawn during the blood donation process as per donor's body weight.

Recovery and Refreshments

Once the donation is complete, the donor is made to rest for few minutes and offered light refreshment and a spot bandage is applied to the arm to stop further blood flow. Pressure should be applied at the phlebotomy site for 5 – 10 minutes to prevent bruising.

- If there is bleeding from phlebotomy site, raise the arm and apply pressure.
- If there is feeling of faintness or dizziness, either lie down or sit with head between knees. If symptoms persist, ask for help, return to blood centre or consult a doctor
- Remove the bandage after 5 to 6 hours.

Donors are discouraged from doing heavy exercise or lifting weights until the next day. Plasma volumes will return to normal in around 24 hours, while red blood cells are replaced by bone marrow into the circulatory system within about 3-5 weeks, and lost iron is replaced over 6-8 weeks.

Appreciation:

Donors are given appreciation certificate by the blood centre.

Date:	16th September 2023
Time:	12.00 pm – 1.00 pm
Location:	4th Floor Corridor
Number of participants:	25 Students
	12 Faculties

Introduction: We celebrate Ozone Day, also known as the World Ozone Day for the preservation of the Ozone Layer, to raise awareness and commemorate the importance of protecting the Earth's ozone layer. This annual event, observed on September 16th, serves as a reminder of why the ozone layer matters and why it's essential to continue our efforts to preserve it.

Event Briefing:

The "Ozone Day" event at SRBS was a successful celebration. The ozone layer is a region in the Earth's stratosphere that contains a relatively high concentration of ozone (O3) molecules. It plays a crucial role in protecting life on our planet by absorbing and blocking harmful ultraviolet (UV) radiation from the sun.

Slogans and Expressions:

During the event, slogans and expressions were chanted by the students to express their sentiments "Earth without the ozone layer is like a house without a roof, Save the Ozone layer."

Conclusion: We celebrate Ozone Day to recognize the progress made in preserving the ozone layer, to educate the public about its significance, and to emphasize the ongoing need for global cooperation in safeguarding this vital layer of protection for our planet. By celebrating this day, we reaffirm our commitment to a sustainable and healthier future for all. The unity and enthusiasm of the students from DLLE and the Green Club, creating an inspiring and memorable experience for all who attend.

अ.शा.पत्र सं. I-19034/01/2023-एनआई-II
दिनांक: 20 अक्टूबर, 2023

हम हर वर्ष 31 अक्टूबर को सरदार वल्लभभाई पटेल की जयंती को राष्ट्रीय एकता दिवस के रूप में पूरे देश में बड़े जोश और उत्साह के साथ मनाते आ रहे हैं। यह अवसर राष्ट्रीय एकता के माध्यम से स्वतंत्र भारत के वास्तुकार के रूप में सरदार वल्लभभाई पटेल के योगदान को मान्यता देता है। यह राष्ट्र की सुरक्षा, एकता और अखंडता को मजबूत करने की अपनी प्रतिबद्धता को सुदृढ़ करने का भी दिन है।

इस वर्ष भी, 31 अक्टूबर, 2023 को स्टैच्यू ऑफ यूनिटी, एकता नगर, गुजरात में राज्य पुलिस बलों, केंद्रीय सशस्त्र पुलिस बलों और एनसीसी कैडेटों की भागीदारी के साथ राष्ट्रीय एकता दिवस परेड का आयोजन किया जा रहा है। हम देशवासियों की ओर से सरदार पटेल की प्रतिमा की 'पद पूजा' के साथ उन्हें श्रद्धांजलि अर्पित करेंगे।

इस वर्ष, 'मेरी माटी मेरा देश' अभियान के हिस्से के रूप में, जिसका उद्देश्य हमारी आजादी के लिए अपने जीवन का बलिदान देने वाले बहादुर स्वतंत्रता सेनानियों को सम्मानित करना है, राष्ट्रीय एकता सप्ताह 25 से 31 अक्टूबर, 2023 तक मनाया जाएगा। यह अभियान भारत और उसके लोगों की एकता का जश्न मनाएगा। मेरा सुझाव है कि राष्ट्रीय एकता सप्ताह के दौरान आपके मंत्रालय/विभाग में 'मेरी माटी मेरा देश' अभियान के अनुरूप उपयुक्त कार्यक्रम आयोजित किए जा सकते हैं।

विगत वर्षों की भांति, मैं आपसे 31 अक्टूबर, 2023 को राष्ट्रीय एकता दिवस के रूप में मनाने हेतु अपने प्रशासन को उचित निर्देश और मार्गदर्शन देने का अनुरोध करता हूं। 31 अक्टूबर, 2023 को राष्ट्रीय एकता दिवस को मनाने हेतु निम्नलिखित कार्यक्रमों के साथ-साथ अन्य उपयुक्त कार्यक्रम भी आयोजित किए जा सकते हैं:

(i) राष्ट्रीय एकता दिवस के अवसर पर शपथ ग्रहण समारोह का आयोजन किया जा सकता है। 'राष्ट्रीय एकता दिवस' प्रतिज्ञा का पाठ संलग्न है।

(ii) समाज के सभी वर्गों के लोगों के सहयोग से, उचित स्थानों पर 'रन फॉर यूनिटी' का भी आयोजन किया जा सकता है । इससे राष्ट्रीय एकता के संदेश को पूरे देश में फैलाने में मदद मिलेगी।

मैं आपसे आग्रह करता हूं कि राष्ट्रीय एकता दिवस को बड़े जोश और उत्साह के साथ मनाया जाना सुनिश्चित करें।

आपका,

Throughout the month of October, November and December, professionals from various fields like art, dance, music & photography conducted workshops for patients in the hospital and accomplishments of the children during this period are highlighted and performed by them on "HOPE" day.

Shalini Jatia, Officer-in-Charge, ImPaCCT Foundation, Tata Memorial Centre and Gayatri Raheja, Executive Officer, Sheila Gopal Raheja Foundation shared their pride to be associated with such a noble initiative.

Session on Group Discussion & Personal Interview

The session on group discussion and personal interview was conducted by the Placement Team on 18th December 2023 for MMS students of Semester III.

The session commenced with an introductory briefing, outlining the importance of effective communication and interpersonal skills in today's competitive landscape. Participants were then divided into groups for the GD round, where they engaged in structured discussions on a variety of topics ranging from social issues to current affairs.

Following the GD round, participants proceeded to the PI phase, where they faced individual interviews conducted by experienced professionals from diverse backgrounds. Interviewers evaluated participants based on their responses, demeanor, and overall suitability for specific roles or academic programs.

Objectives:

- To enhance students' communication skills through participation in group discussions.
- To assess students' problem-solving abilities and critical thinking skills in a simulated interview environment.
- To provide constructive feedback to students to help them identify areas for improvement in both group discussions and personal interviews.
- To prepare students for real-world scenarios such as job interviews, academic admissions, and professional networking events.

Outcomes:

- Students understood the importance of enhanced communication skills through active participation in group discussions, where they articulated their thoughts clearly and effectively.
- The session provided students with opportunities to think critically and analytically, as they navigated through challenging topics and questions during both GDs and PIs.
- Students felt more confident in expressing their opinions and ideas, both individually and within a group setting, after receiving constructive feedback from the session.
- The session provided students with valuable insights and practical experience relevant to real-world scenarios such as job interviews and professional interactions, thereby enhancing their overall preparedness for future prospects.

Tree Plantation Drive – International Environment Day (5th June)

Date: 28th June 2024

Brief Description:

- Date of the event - 27th June, 2024
- Time - 7.30 a.m. - 8.30 a.m.
- Number of Students that participated - 17
- Number of Faculty Members that participated - 3

On 27th June 2024, a Tree Plantation Drive under Green Club of SRBS "**NISARGA**", was organised by Sheila Raheja School of Business Management and Research in collaboration with L.S.Raheja School of Architecture and Sheila Raheja Institute of Hotel Management. The event commenced at 7.30 a.m. at Raheja Marg, Malad East, Mumbai-400097. This was a collaborative effort between the Mumbai University's Department of Lifelong Learning and Extension (DLLE) and the local community.

Objectives

- **Enhancing Green Cover:** Planting trees increases the green cover, which plays a crucial role in urban and rural landscapes by providing shade, reducing heat island effects in cities, and creating habitats for wildlife.
- **Water Conservation:** Trees help in groundwater recharge and regulate water cycles by reducing runoff and enhancing water retention in the soil. They also improve water quality by filtering pollutants.
- **Socio-economic Benefits:** Tree plantation can provide economic benefits through sustainable forestry practices, timber production, and non-timber forest products (like fruits, nuts, and medicinal plants). It also creates employment opportunities in forestry and related industries.
- **Community Engagement:** Planting trees often involves communities and raises awareness about environmental issues, fostering a sense of responsibility and stewardship towards nature.
- **Climate Change Adaptation:** Trees contribute to resilience against climate change impacts such as floods, droughts, and storms by stabilizing soil, providing windbreaks, and creating microclimates.

Learning Outcomes

➢ **Environmental Benefits**:

- **Carbon Sequestration**: Trees absorb CO2 from the atmosphere during photosynthesis, helping to mitigate climate change by reducing greenhouse gas levels.
- **Air Quality Improvement**: Trees filter pollutants such as particulate matter, ozone, sulfur dioxide, and nitrogen dioxide, thereby improving air quality.
- **Soil Conservation**: Tree roots bind soil particles, preventing erosion and maintaining soil fertility. They also enhance soil structure and nutrient cycling.
- **Water Cycle Regulation**: Trees contribute to groundwater recharge, regulate water flow, and reduce runoff, thereby preventing soil erosion and flooding.

- **Recreational and Aesthetic Value:** Tree-lined streets, parks, and green spaces enhance the aesthetic appeal of communities and provide recreational opportunities for residents.
- **Health and Well-being:** Access to green spaces and trees has been linked to improved mental health, reduced stress levels, and enhanced overall well-being.

Respected Sir,

Greetings from Naandi Foundation's Mahindra Pride Classrooms!

Mahindra Pride Classroom is a flagship Corporate Social Responsibility (CSR) Livelihood programme of the Mahindra and Mahindra group and is fully implemented by Naandi Foundation, a Public Charitable Trust incorporated under the Indian Trusts Act, having its registered office in Hyderabad.

Mahindra Pride Classroom's vision is "To mainstream socially and economically disadvantaged youth, through the process of skill-development training, so as to make them employable in the various sector".

The Mahindra Pride team strongly believes that apart from academic education, Skill Development is also required for students when they step out into the professional world. It is imperative for young adults to be equipped with essential life skills and soft skills. While certain skills may be acquired through everyday experience at home, Classroom or College, they are not sufficient to adequately equip the youth in today's complex society.

The Mahindra Pride Classroom aims to help students to:

- § Develop an identity and improve their self-esteem.
- § Manage emotions and overcome obstacles.
- § Build relationships and polish their interpersonal skills.
- § Enhance and improve employability skills.
- § Improve personal and professional effectiveness.

The life skills component of the training module has helped to transform the learners into confident, determined, goal-oriented youth – a personality shift essential for them to pursue successful careers in the sectors of their choice.

It has helped improve students' understanding of the world and their role and responsibility towards it. It has also enabled them in finding ways to cope with the challenges that life throws at them. These young adults who underwent our training, firmly believe that they will be able to live a more productive and fulfilling life.

Sheila Raheja School of Business Management and Research (SRBS) in collaboration with L.S. Raheja School of Architecture (LSRSA) and Sheila Raheja Institute of Hotel Management (SRIHM), organized an International Yoga Day, which is celebrated every year on June 21st, marks a global acknowledgment of the ancient practice of yoga. It was organised in 2 batches, the first one at 10.00 a.m. to 11.00 a.m. and the second batch was from 11.15 a.m. to 12.15 p.m. This day was established by the United Nations General Assembly in 2015, following a proposal by India's Hon'ble Prime Minister, Narendra Modi, who highlighted Yoga's universal appeal and its potential to promote holistic health and well-being. The celebration of International Yoga Day emphasizes Yoga's role in fostering better health, relieving stress, and promoting peace among individuals across cultures.

Objectives

- Yoga, a discipline that originated in ancient India, encompasses physical, mental, and spiritual practices aimed at achieving harmony between mind and body.
- To raise awareness about the benefits of practicing yoga for overall health and well-being.
- To emphasize the holistic approach of yoga, this integrates physical postures (asanas), breathing exercises (pranayama), and meditation to achieve balance and harmony between the mind, body, and spirit.
- To make understand the individuals to adopt yoga as a means to manage stress and improve mental health.

Learning Outcomes

- Through practicing mindfulness and breathing techniques, students can enhance their ability to concentrate on tasks and maintain focus, which is crucial for academic success.
- Yoga helps students manage stress effectively by teaching relaxation techniques such as deep breathing and meditation. This can lead to better emotional regulation and reduced anxiety levels.
- Yoga encourages students to be present in the moment, fostering self-awareness of their thoughts, emotions, and physical sensations. This cultivates a greater sense of mindfulness and self-acceptance.
- Regular yoga practice can help regulate sleep patterns and improve the quality of sleep, leading to better overall well-being and academic performance.
