The Institution Innovation Council of Sheila Raheja School of Business Management and Research organized a **Session on Entrepreneur's Skill Attitude & Behaviour**. The session aimed to equip the students with the mindset, competencies, and insights necessary to succeed in entrepreneurial endeavors. The speaker for the session was Mr. Shatrunjay Tripathi, Founder of Goldfinch Capital Solutions & Technologies. He highlighted on various facets of Entrepreneurship such as mindset development, skill enhancement, and behavioural insights among other touch points.

### Objectives

- To cultivate attitudes conducive to entrepreneurship, such as resilience, determination, adaptability, and a growth mindset. These attitudes are essential for navigating the challenges and uncertainties of starting and running a business.
- To focus on developing practical skills necessary for entrepreneurship, including leadership, communication, problem-solving, decision-making, behavioural competencies.
- To encourage students to think outside the box, generate new ideas, and find innovative solutions to problems with capabilities existing within ourselves.

### Learning Outcomes

- Students understood how to cultivate a mindset characterized by creativity, innovation, resilience, and a willingness to take risks, which are essential for entrepreneurial success.
- Students understood the abilities required to pursue entrepreneurial opportunities and overcome challenges, empowering them to take initiative and act on their ideas.
- Students learnt the importance of personal growth and development, gaining self-awareness, confidence, and resilience as they would navigate the challenges and opportunities of entrepreneurship.
