Sheila Raheja School of Business Management and Research (SRBS) in collaboration with L.S. Raheja School of Architecture (LSRSA) and Sheila Raheja Institute of Hotel Management (SRIHM), organized an "Awareness Campaign on International Day against Drug Abuse" in association with ANTI NARCOTICS CELL, CRIME BRANCH, Mumbai Police. Since its inception by the United Nations General Assembly in 1987, the International Day Against Drug Abuse has become a rallying point for governments, organizations, and individuals worldwide to come together in solidarity against the scourge of drug abuse. It provides a platform to raise awareness about the devastating consequences of drug addiction, promote preventive measures, advocate for effective drug policies, and support those affected by drug dependency.

Objectives

- To raise awareness about the dangers of drug abuse and illicit trafficking among students and teachers. Provide accurate information about the health risks associated with drug use and the societal impacts of drug trafficking.
- To encourage proactive measures to prevent drug abuse through education, early intervention programs, and community-based initiatives.
- To address stigma associated with drug addiction and promote empathy and support for individuals struggling with substance abuse disorders. Highlight the importance of treatment and rehabilitation as pathways to recovery.
- To facilitate discussions among students about the broader societal impacts of drug abuse and the role of individuals in creating positive change.

Learning Outcomes

- Students will gain a deeper understanding by knowing the physical, psychological, and societal impacts of drug abuse, including its effects on academic performance, relationships, and future opportunities.
- Students will become more aware of the prevalence of drug abuse on college campuses and in society at large, recognizing signs of substance use and understanding the importance of prevention and intervention.
- Students will challenge stereotypes and reduce stigma associated with drug addiction, fostering a more compassionate and supportive campus culture for individuals struggling with substance abuse.

Students will cultivate a sense of responsibility and empathy towards peers affected by drug abuse, creating a supportive network within the college community.

- The campaign will aim to instill lasting behavioral changes among students, promoting healthier lifestyles and responsible decision-making beyond the immediate impact of the awareness campaign.
- Students will reflect on their own values, goals, and aspirations in relation to substance use, considering how their choices impact their academic success and overall well-being.

Trainer: Mr. Mahendra Raje, a renowned self-defense instructor, conducted the workshop. With his extensive experience and expertise in martial arts and self-defense techniques, Mr. Raje provided valuable insights and practical demonstrations to the participants.

Workshop Highlights:

Mr. Raje began the workshop by introducing participants to basic self-defense techniques suitable for real-life scenarios. He emphasized the importance of awareness and quick reflexes in potentially threatening situations. Participants were actively engaged in physical demonstrations led by Mr. Raje. They practiced fundamental moves such as strikes, blocks, and evasion techniques under his guidance. Throughout the workshop, emphasis was placed on building confidence and assertiveness. Mr. Raje encouraged participants to trust their instincts and utilize their newfound skills with conviction.

The workshop concluded with an interactive Q&A session where participants had the opportunity to seek clarification on techniques, share personal experiences, and receive personalized advice from Mr. Raje.

- 1. To empower student participants, especially young women, with the skills and confidence necessary to protect themselves in various situations, both on and offcampus.
- 2. To raise awareness among students about the prevalence of violence and harassment and to educate them on strategies for staying safe.
- 3. To teach practical self-defense techniques that are relevant and effective for students, considering their daily routines and environments.
- 4. To boost the self-esteem and confidence of students by providing them with tools to assert their boundaries and defend themselves if necessary.

Outcomes:

Subject: Approval for organizing

"Session on Business Model Canvas (BMC)"

Respected Sir,

This letter of request for seeking your permission to organize "Session on - Business Model Canvas (BMC)", on 18th August 2023, Friday at 1.00 pm to 2.00 pm at Seminar Hall (4th Floor), Raheja Education Complex.

A Business Model is simply a plan describing how a business intends to make money. The Business Model Canvas is a strategic management tool that lets you visualize and assess your business idea or concept.

The Business Model Canvas beats the traditional business plan that spans across several pages, by offering a much easier way to understand the different core elements of a business. It helps to analyze the customer base is and how you deliver value to them and the related details of financing.

We have invited Mr. Ananad Kelkar as the guest speaker for delivering Session on Business Model Canvas (BMC) at our institute, He is proven dedicated individual with 12+ years of experience in Sales & Marketing. Holds a trophy for "Significant Contribution to the company" at Green gold L & Dry Ltd. Sharp, Strategic & Tactical thinker with the ability to engage & inspire teams to maximum performance. Skilled in Relationship building, Presentations, Negotiations and achieving consensus with key internal & external decision makers.

It will be guiding session for students to develop Entrepreneurial skills. It will also help them to develop overall insight towards Today's dynamic business world.

I hope you will consider the request and grant permission for the same.

Sincerely,

Sonali Shiralkar Assistant Professor For Sheila Raheia School of Business Management & Research
