Celebrating World Environment Day – Clean-Up Drive

Date: 28th June 2025

Time: 1.00 PM onwards

No. of Students Participated: 43 Students

Mode of Conduct: Outdoor Session

No. of Faculty Members Participated: 05 faculties

The Institution's Innovation Council & Department of Lifelong Learning & Extension (DLLE) of Sheila Raheja School of Business Management and Research organized a clean-up drive to celebrate World Environment Day with the theme "**Beat Plastic Pollution.**" Although World Environment Day is globally observed on June 5th, the institute celebrated the event on **28th June 2025** due to the summer vacation period.

The activity aimed to encourage student involvement in environmental conservation through practical, community-based engagement. Students actively participated in cleaning areas in and around the college premises, removing plastic waste, litter, and other pollutants. The session emphasized the importance of maintaining a clean, hygienic and sustainable environment, aligning with the global call to action against plastic pollution.

Objectives of the Activity –

- **Develop Environmental Awareness:** To help students recognize the impact of littering and waste on the local ecosystem and public health.
- **Encourage Social Responsibility:** To instill a sense of civic duty and responsibility towards maintaining a clean, hygienic and sustainable environment.
- **Promote Teamwork and Leadership:** To encourage collaboration, planning, and execution through group participation in a community-oriented activity.

Learning Outcomes –

- **Promote Environmental Sensitivity:** Students demonstrated increased awareness about waste management and the importance of a clean environment.
- **Promote Civic Engagement:** Participants contributed to improving the local environment and showed responsibility by taking part in the clean-up drive.
- **Foster Soft Skills:** Students effectively worked in teams, showcasing communication, coordination, and leadership during the activity.

The clean-up drive not only enhanced students' understanding of environmental issues but also reinforced the importance of individual action in creating a cleaner, greener community. The initiative successfully fostered a spirit of environmental stewardship and practical learning beyond the classroom.
