The Constitution Day celebration at Sheila Raheja School of Business Management and Research, with a solemn tribute to Dr. B.R. Ambedkar, the chief architect of the Indian Constitution, sounds like a powerful way to honor his pivotal role in shaping India's democratic framework. Dr. Ambedkar's leadership and vision were instrumental in ensuring that the Constitution would protect the rights and freedoms of every citizen, with a strong emphasis on social justice and equality. An impactful event, fostering a deep sense of constitutional awareness among students. Such enthusiasm not only makes the event more memorable but also serves to inspire a sense of responsibility and pride in understanding and upholding the values preserved in the Indian Constitution. The students of MMS (Master of Management Studies) and F.Y.B.Com (First Year Bachelor of Commerce) programs, along with the faculty members, gathered for a special event to honor and reflect upon the principles of the Constitution. The event began with the screening of an insightful constitutional video, which highlighted the significance of our Constitution, its core values, and the importance of upholding democratic principles. Following the video, all present were invited to take part in a solemn pledge. The pledge, directed by the Institute director, and instructed as per the guidelines of All India Council for Technical Education (AICTE), emphasized the core values of the Constitution, including justice, equality, and liberty.

**Janjatiya Gaurav Diwas** (Tribal Pride Day) is a significant day in India, dedicated to recognizing and celebrating the contributions of tribal communities to the nation's history, culture, and society. The day is observed on November 15 each year, in honor of the birth anniversary of Birsa Munda, a prominent tribal freedom fighter and leader from Jharkhand, who played a key role in the Indian independence movement.

**Objectives:**

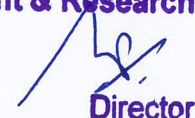

- To increase awareness among students about the Constitution's history, principles, and its role in shaping India's democracy.
- Students will gain a deeper understanding of the core values of the Constitution, such as justice, equality, and liberty, and how these values impact their daily lives as citizens.
- Students understand how to safeguard their rights and fulfil their responsibilities, contributing to a stronger, more cohesive society.
- Students gain insight into the functioning of India's democratic institutions, developing a greater appreciation for the rule of law and the protection of individual rights.

**Learning Outcomes:**

- Students will recognize the importance of the Constitution as the supreme law of the land and how it guides the functioning of Indian democracy.

**For Sheila Raheja School of Business  
Management & Research**

  
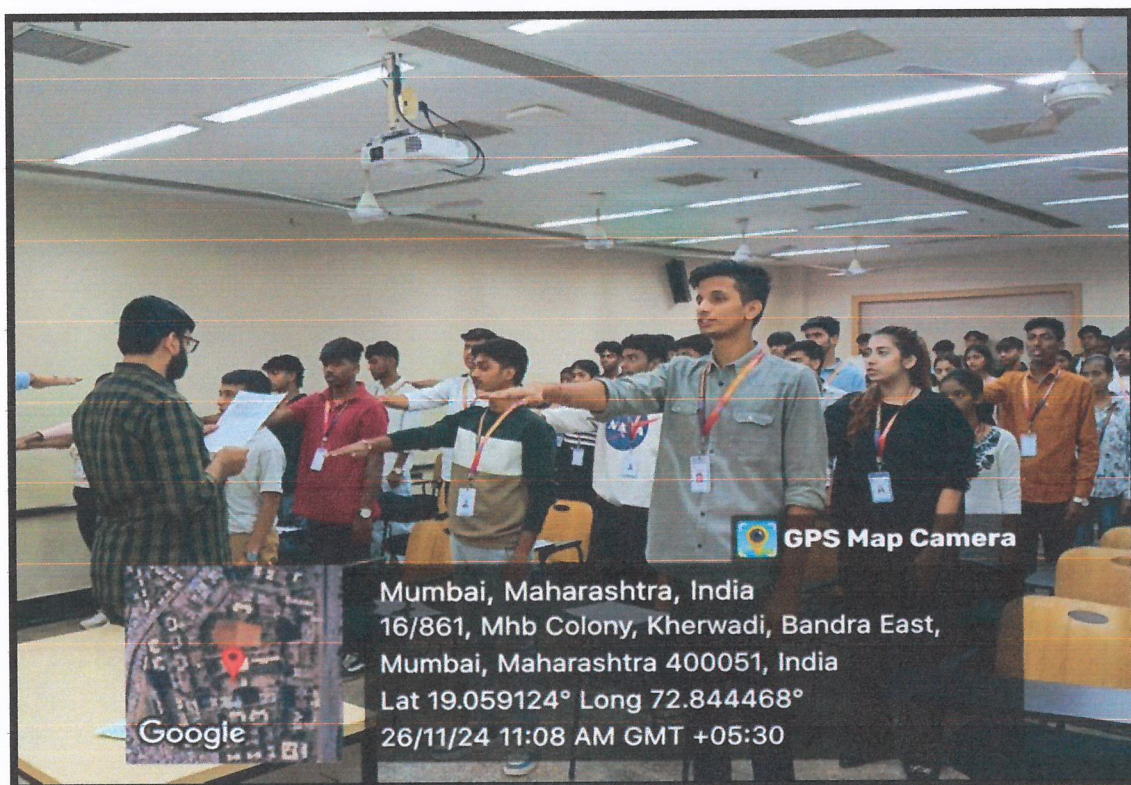

**Director**

- This knowledge will help students understand their legal entitlements and responsibilities as citizens, empowering them to advocate for their rights and fulfil their civic duties.
- They will understand the significance of social justice and equality in the Constitution and be inspired by Dr. Ambedkar's commitment to the up-liftment of marginalized communities.
- This will contribute to a greater understanding of India's multicultural identity and promote the values of peace, respect, and inclusivity.
- This will encourage students to take responsibility for their society, advocate for constitutional rights, and contribute to the betterment of the nation.

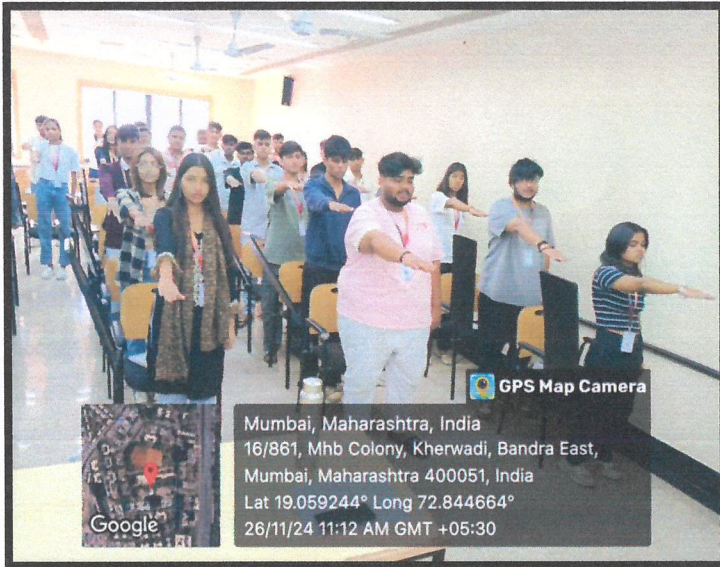

On the occasion of **Constitution Day (26<sup>th</sup> November)**, we reaffirm our commitment to the core values enshrined in our Constitution - justice, equality, liberty and fraternity. As we look toward the future, it is crucial to ensure that these principles continue to shape our nation's growth, governance, and legal systems. Activities will be organized the following in future such as holding talks, Essay Writing Competition & Poster making Competition on the importance of Constitution Day, Quiz and Q&A session etc. This Future Plan of Action outlines the key initiatives that we will undertake to further strengthen constitutional democracy, educate citizens, and promote active participation in safeguarding our constitutional rights.

On the occasion of **Janjatiya Gaurav Diwas (15<sup>th</sup> November)** in college can be a meaningful way to raise awareness and honor the contributions of tribal communities. Here are some future plan ideas such as Organize a Cultural Program, Invite scholars, anthropologists, or tribal leaders to speak on the history, struggles, and contributions of tribal communities, Tribal Cuisine Event, Poetry and Essay Writing Competitions, Art Competitions, Tribal Heritage Awareness Campaign, etc.
