Study Tour Description; - The students of BMS and B.Com. (Management Studies) from Sheila Raheja School of Business Management & Research participated in a 6 Nights and 7 Days Industrial Study Tour from 27th January to 2nd February 2026, covering Udaipur, Kumbhalgarh, and Ahmedabad.

The primary purpose of the tour was to provide practical exposure to industrial systems, rural entrepreneurship models, and India's rich cultural heritage, enabling students to connect academic learning with real-life experiences.

27th January 2026 & 2nd February 2026 – Journey and Visit to Udaipur

The tour commenced on 27th January 2026, when the group departed from Mumbai by train to Ahmedabad and then proceeded towards Udaipur.

During their stay in Udaipur, students visited the Indian Institute of Management Udaipur, where they received valuable insights into management education, academic infrastructure, and research initiatives.

The group also visited Saheliyon Ki Bari, a historical garden renowned for its artistic fountains and traditional Rajasthani landscape architecture.

29th January 2026 – Cultural and Industrial Exposure in Udaipur

On this day, students explored the magnificent City Palace of Udaipur, which enhanced their understanding of royal heritage, historical governance, and architectural grandeur. Later, the group visited the Dainik Bhaskar printing press, where students observed the newspaper production cycle, including editorial processing, printing technology, and large-scale distribution systems. The students also visited Shilpgram, a rural arts and crafts complex, where they were introduced to traditional handicrafts, local artisans, and rural entrepreneurial practices.

30th January 2026 – Visit to Kumbhalgarh

While traveling towards Kumbhalgarh, the group visited Shrinathji Temple, an important religious and cultural pilgrimage site. Subsequently, students explored the historic Kumbhalgarh Fort, a UNESCO World Heritage Site famous for its massive defensive walls and historical significance in Rajasthan's heritage. The day concluded with a DJ evening, which encouraged informal interaction, team bonding, and recreational engagement among students.

31st January 2026 – Ranakpur Visit and Travel to Ahmedabad

Students visited the renowned Ranakpur Jain Temple, admired worldwide for its intricate marble carvings and unique architectural design. The group also explored the Monsoon Palace, which offers breathtaking panoramic views of the surrounding Aravalli hills and Udaipur city landscape. Later in the day, the group continued their journey towards Ahmedabad.

1st February 2026 & 2nd February 2026 – Industrial Visit in Ahmedabad

During their stay in Ahmedabad, students undertook an industrial visit to the Amul Factory, a prominent dairy manufacturing enterprise producing a wide range of products such as cheese, chocolates, and milk-based items, which are distributed through an extensive supply chain network.

For Sheila Raheja School of Business
Management & Research

Director

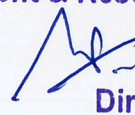

During the visit, students closely observed production processes, quality control mechanisms, packaging techniques, and lean manufacturing practices. Interaction with company managers and technical staff provided valuable insights into production planning, operational workflow, and industrial quality standards. This visit significantly helped students connect theoretical concepts of operations and production management with real-world industrial practices.

The group also visited Adalaj Stepwell, an architectural masterpiece reflecting traditional water management systems. Later, students explored Sabarmati Ashram, historically associated with Mahatma Gandhi, followed by a walk along the Sabarmati Riverfront, which provided an opportunity to observe urban development and heritage conservation. On the night of 1st February 2026, the group departed from Ahmedabad by train, and the students safely returned to Mumbai on 2nd February 2026, marking the successful completion of the industrial study tour.
