Part B) Brief Information about the Activity

TOPIC OF THE ACTIVITY	Waste Management Workshop (Academic Year 2025-2026)
OBJECTIVES	• To create awareness among participants about the importance of proper waste disposal and its impact on the environment and health. • To educate attendees on various types of waste (biodegradable, non-biodegradable, e-waste, etc.) and appropriate methods of segregation. • To promote sustainable practices like reducing, reusing, and recycling waste in daily life. • To provide hands-on training in composting, recycling techniques, and waste-to-energy solutions. • To highlight the role of individuals and communities in effective waste management systems.
METHODOLOGY	• Coordination with experts in waste management and environmental science. • Introduction to the concept of waste management and its importance. • Overview of current waste issues at local, national, and global levels. • Waste segregation activity with actual waste samples.
OUTCOMES	• Improved awareness of sustainable waste disposal methods and the importance of segregation.

7th July 2025**Waste Management Workshop (Academic Year 2025-2026)**

- **Date:** 5th July 2025
- **Time:** 10.30 am to 12.30pm
- **No. of students participated:** 4 students
- **Mode of Conduct:** Outdoor
- **Number of Faculty members that Participated:** 3 faculties

Brihanmumbai Municipal Corporation's Waste Management Department organized a Waste Management Workshop at Shri Ganesh Mandir, Sorvoday Apartment, Kherwadi Road, Bandra East, Mumbai – 400051.

The workshop was conducted for residential societies in Bandra (East), as well as for nearby schools and colleges.

The event commenced on time, participants assembling in an orderly manner at the venue.

During the workshop, participants were guided on proper waste segregation, including the separation of solid waste, electronic waste, and wastewater. Emphasis was placed on the importance of not dumping waste on the roads.

They also provided instructions on the correct disposal of adult and baby diapers, which should be discarded in the yellow-colored dustbins specially designated and maintained by the Brihanmumbai Municipal Corporation.
