18th September 2025**World Ozone Day (Academic Year 2025-2026)**

- **Date:** 16th September 2025
- **Time:** 10.00 am onwards
- **No. of students participated:** 17 students
- **Mode of Conduct:** Indoor
- **Number of Faculty members that Participated:** 4 faculties

The department of Green Club had organised the Best out of waste competition on the occasion of Ozone Day on 16th September 2025, Students actively participated in the competition, where they showcased their creativity by designing useful and decorative items out of discarded materials

The primary objective of this activity was to create awareness about the importance of the ozone layer, sensitize students towards environmental conservation, and promote sustainable practices such as recycling and reusing.

The event was aimed at encouraging creativity and innovation while highlighting the role of students in protecting the environment.

The key purpose of this celebration was to inspire students to adopt eco-friendly practices and develop responsible citizenship.

The event not only brought out the innovative skills of the students but also spread awareness about recycling, waste management, and sustainable living. The event was successful in creating a sense of responsibility towards the environment and highlighted the need for sustainable practices.
