- **Time:** 11.00 am onwards
- **No. of students participated:** 52 students
- **Mode of Conduct:** Indoor
- **Number of Faculty members that Participated:** 04 faculties

The Department of Lifelong Learning and Extension (DLLE) organized a Poster Making Competition on 16th January 2026 with the objective of encouraging students to creatively express their ideas on career awareness and development.

The competition provided a platform for students to showcase their artistic abilities and present their perspectives on various career opportunities and professional aspirations. Participants designed creative posters highlighting themes such as career planning, skill development, professional growth, and the importance of making informed career choices.

The activity encouraged students to reflect on their aspirations while also spreading awareness among peers about the significance of career planning. At the end of the competition, the posters were evaluated and First, Second, and Third prizes were declared to recognize the creativity, originality, and clarity of the messages conveyed through the posters.

The Poster Making Competition proved to be an engaging and insightful activity that promoted creativity, self-expression, and awareness about career development among students.

Objectives

- To encourage students to express their ideas creatively through art.
- To create awareness about social issues through visual communication.
- To promote creativity, innovation, and artistic skills among students.
- To develop a sense of social responsibility and awareness among students.
