We had opted for new nomenclature B.Com. (Management Studies) as per University of Mumbai guidelines, and our admissions were full in the A.Y 2024-2025. The response for B.Com. (Management Studies) in the A.Y 2025-2026 is slow as more students are aspiring for BMS and BAF programs.
- The admissions for A.Y. 2025-2026 shall also be delayed as the second CET is announced to be held in July 2025. It is estimated that there will be a rise in number of students appearing for CET of BMS/BBA and the BMS admissions in future may be regularised. Hence, it is proposed to apply for one division of BMS program from the next A.Y. 2026-2027 to AICTE/ DTE/ University of Mumbai/ Government of Maharashtra as per their schedule/guidelines.
- It also observed that Bachelor of Accounting and Finance (BAF), a three-year undergraduate degree program received extra ordinarily responses across colleges. Hence it proposed to apply for a division of BAF program from the next A.Y. 2026-2027 to University of Mumbai/ Government of Maharashtra as per their schedule/guidelines.
